

REMARKS

Claims 13 and 95 have been amended. No new matter has been added. Claims 1-12 stand as canceled. Claims 31-94 and claims 97-129 are canceled without prejudice or disclaimer. Claims 13-30 and 95, 96 remain in the application.

Claim rejections under 35 U.S.C. 112, second paragraphs

Claims 13-129 were rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Applicant has canceled claims 31-94 and 97-129. There are now a total of 20 claims with two independent claims 13 and 95. Claims 13 and 95 were amended to align for antecedent basis. Claim 13 also includes the elements of claim 33, now canceled. Claims 13-30, 95 and 96 remain in the application.

Applicant respectfully requests that the rejection under 35 U.S.C. 112, second paragraph now be withdrawn.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

The Applicants believe that the subject application, as amended, is in condition for allowance. Such action is earnestly solicited by the Applicants.

In the event that the Examiner deems the present application non-allowable, it is requested that the Examiner telephone the Applicant's attorney or agent at the number

indicated below so that the prosecution of the present case may be advanced by the clarification of any continuing rejection.

The Commissioner is hereby authorized to charge Deposit Account 502117, Motorola, Inc, with any fees which may be required in the prosecution of this application.

Respectfully submitted,

July 10, 2008
